TUESDAY EVENING, AUG. 1, 1906.

Died by Bride's Side.

Coroner Flaherty, of Brooklyn has ordered an autopsy to determine the cause of the death, within one hour of his marriage to his pretty 17-year-old sweetheart, of Stephano Petrie, of Brooklyn.

Petrie was standing by his bride receiving the congratulations of their friends when he suddenly fell to the floor, writhing in agony. He was carried to his room and died after repeated convulsions. The case is so mysterious that the suspicions of the police have been aroused, and it is believed that some enemy, envious of his happiness, may have poisoned him.

Pretty Camille Marino and Petrie had been sweethearts since they met, a year ago. She was the daughter of Martine Marino, a baker, and took care of his home and younger children, by her mother being dead. Petrie was a prosperous young fruit merchant.

The death of Petrie was predicted, his friends say, by a fortune-teller, La Donna de Nero de Maari (the woman in black). She predicted that Camille would marry, but her husband would only stay by her side and she would never wear her pretty clothes.

Division in Zionist Congress.

The socialist sections of the Zionist congress in Basle, Switzerland, have issued a circular to the Jewish people protesting against their treatment during the meetings of the congress. They met yesterday and expressed their disagreement with the decision adopted by the congress Sunday not to accept the offer of Great Britain of a tract of land in East Africa for the formation of a Zionist colony. They decided to form a special organization, with the view of taking over territory. Meanwhile, the main body of the congress elected an organization committee, of which Dr. Henry Friedland, of Baltimore, and Dr. J. L. Magnes, of Brooklyn, were appointed members. During the discussions of the programme Dr. Magnes, on behalf of the American delegates, requested the reconsideration of the British proposal.

Remarkable Hail Storm.

Perhaps the most remarkable hail storm that even visited that section passed over Iron Gate, Va., and vicinity at 2 o'clock Saturday. The downfall lasted only 23 minutes, but in that time destroyed all vegetation almost as thoroughly as if it had been swept by fire. Commencing with particles as fine as needle points, they grew in size until it looked like a fall of bonbons, then size of hen eggs and finally large chunks, until every leaf and blade and flower was beaten into the ground. One citizen filled a barrel with the larger stones to be used in making ice cream. The stones were white and the ground was covered with them.

One Dollar Saved Represents Ten Dollars Earned.

The average man does not save to exceed ten per cent. of his earnings. He must spend nine dollars in living expenses for every dollar saved. This being the case he cannot be too careful about unnecessary expenses. Very often a few cents properly invested, like buying seeds for his garden, will save several dollars outlay later on. It is the same in buying Chamberlain's Colic, Cholera and Diarrhoea Remedy. It costs but a few cents, and a bottle of it in the house often saves a doctor's bill of several dollars. For sale by Gibson & Timmerman and W. F. Creighton & Co.

A Grim Tragedy.

is daily enacted, in thousands of homes, as death glares, in each one another victim of Consumption or Pneumonia. But when Coughs and Colds are properly treated, the tragedy is averted. F. G. Huntley, of Oakland, Cal., writes: "My wife had the consumption and three doctors gave her up. Finally she took Dr. King's New Discovery for Consumption, Coughs and Colds which cured her, and to-day she is well and strong." It kills the germ of disease. One dose relieves. Guaranteed at 50c and \$1.00 by E. S. Leadbeater & Sons, druggist. Try them today.

The pills that act as a tonic, and not as a drastic purge, are DeWitt's Little Early Risers. They cure Headache, Constipation, Bloating, etc. Early Risers are small, easy to take and act as a safe pill. Mack Hamilton, hotel clerk at Valley, N. D., says: "Two bottles of these Famous Little Pills cured me of chronic constipation." Good for either children or adults. Sold by W. F. Creighton, 401 King street, and corner of Queen and Patrick streets.

MEETINGS.

A CALLED MEETING of the stockholders of the COLONIAL LOAN AND DEPOSIT ASSOCIATION will be held at the offices of said association, No. 128 South Fairfax street, Alexandria, Virginia, on MONDAY, August 7, 1906, at 2 o'clock, p. m., for the purpose of considering certain resolutions of the Board of Directors of said association, adopted on the 17th day of June, 1906, in Havana, Cuba, which resolutions are as follows:

First. This company being now essentially a Cuban institution, with all its financial interests in Cuba, be it resolved that steps be taken to abolish the present legal necessity of holding the stockholders' meetings in Virginia, United States of America.

Second. In order to accomplish the object of the first resolution, and also to make some changes deemed necessary and expedient, be it resolved that the stockholders' meetings in Virginia, United States of America, be discontinued, and that the company be reformed on the basis deemed most expedient for securing more capital for loans and investments, and with the general powers of a trust company.

Third. Be it further resolved that it is deemed advisable that the stockholders of this company whose stock at the time of transfer is unencumbered and up to date in its payments, exchange their stock for paid-up stock of the reformed company.

Fourth. Be it further resolved that the stockholders who now have loans may continue their monthly payments as at present, in accordance with the conditions of their respective contracts, until their loans are paid off, but that they may, if they wish, exchange their stock as the other stockholders, and recognize a straight loan in favor of the purchasing company.

Fifth. Be it further resolved that a special meeting of the stockholders of this company be held in Alexandria, Virginia, on the seventh of August, 1906, at 2 p. m., to take action on the above resolutions, and to arrange all the details of transfer and change that may be deemed necessary and expedient.
